Come Succeed with us...

CHAITANYA ENGINEERING COLLEGE is the finest multi-disciplinary engineering college in Andhra Pradesh, committed to delivering world-class education and research. We strive to equip our students with the required conceptual, technical, and managerial skills to grab the emerging opportunities and meet the ever-increasing demands and requirements of the information technology and manufacturing sectors. Sports, games, and cultural activities are integral parts of the institute's curriculum. The NSS unit communicates the importance of unity, discipline, and social services and help build the students' inner and outer characters. Apart from sophisticated hostels, a huge and hygienic canteen is built on the campus to satiate the hunger and thirst of students satisfactorily. If you are looking for an exciting and rewarding career in the increasingly high-tech world of the 21st century, engineering is the correct choice and CEC is the right place to be.

MISSION

To be recognized as the epicentre of engineering ecosystem with a pioneering spirit and an incubator of entrepreneurial engineers par excellence promoting inclusiveness and collaborations on a world-wide basis.

VISION

To foster outstanding engineering graduates, facilitate cutting-edge research and forward innovations anchored to ethical and environmentally responsible engineering practice for the benefit of global society.
